

## TSWG Q&A - 11/7/19

1. Can FINRA CAT provide additional details on the availability of third party extranet network service providers?
2. What are the requirements for populating fields on an Order Route event for manual routes?
3. Can Industry Members report options data before Phase 2b begins?
4. When will report cards become available?
5. To what granularity will FINRA CAT be validating timestamps for *handlingInstructions* that contain Name/Value Pairs?
6. Will FINRA CAT be providing more information on the IMID conflict list and requirements?
